Sea-Doo The Original Watercraft Experience

As the pioneer of personal watercraft, Sea-Doo combines decades of innovation, unmatched expertise, and a legacy of adventure. Trusted by generations, we continue to set the standard for unforgettable moments on the water.

The perfect ride for everyone

The ultimate lineup designed for every kind of rider. With 6 distinct segments, Sea-Doo offers a versatile range of watercraft for all ages and lifestyles. Whether you're chasing high-speed thrills, planning family adventures, or enjoying a relaxing cruise, there's a perfect Sea-Doo to spark joy and freedom on the water for everyone.

Over 50 years of innovation

Since 1968, Sea-Doo has been at the forefront of watercraft innovation–from pioneering the first personal watercraft to introducing game-changing technologies like iBR braking and Rotax engines. For over five decades, we've redefined adventure on the water.

The number one brand in Europe

Sea-Doo is the top-selling watercraft brand in Europe, trusted by riders across the continent.

Spark Performance Saddle - **295101461**

- Adds additional support while enhancing overall performance.
- Foam construction engineered for optimal support, improving both comfort and riding control.
- Durable materials designed to match the seat construction for seamless integration.
- Convert a Trixx for 1 seat into a performance oriented version.
- Includes mount and all hardware.

Trixx for 2 Seat Kit - **295101515**

- Convert a Trixx for 1 watercraft into a Trixx for 2 in seconds.
- Includes mount and all hardware.

Rec Lite

Raising the Bar on Summer Fun

Light a spark and maximize your time under the sun with a Sea-Doo personal watercraft. The celebrated and iconic design of the Rec Lite lineup will put a wide grin on your face and show you why life is more fun on the water.

Spark® X 110 For 3 - Audio

Playful, powerful, and practical
- the Spark just got even better.

KEY FEATURES

- Lightweight and playful platform
- Spark® hull
- Able to tow with most mid-size cars
- Up to 3 people
- Watertight phone compartment
- iBR® - Intelligent Brake & Reverse
- LinQ® and LinQ Lite attachment system
- Speed Regulator
- RF D.E.S.S.™ key
- Boarding Step
- iDF- Intelligent Debris Free System
- Exclusive Coloration & Colored-in Deck
- BRP Audio - Portable System

NEW Blue Mist and Deep Black

Spark things up - Spark X

Elevates what it means to be riding a Spark while retaining that same light and playful experience that revolutionized the industry. It features a standard BRP portable audio system, a premium colored-deck, a boarding step, a speed regulator, and the new Rotax 1000 ACE - 110hp engine.

Boarding Step

Makes boarding from the water easier and quicker.

iDF - Intelligent Debris Free System

An innovative, industry-first system that allows you to free your pump of weeds and debris with intuitive handlebar-activated controls.

Rotax® 1000 ACE™ - 110

Unleash more fun with the all-new Rotax 1000 ACE 110 hp engine, now powering Spark X models with a perfect balance of performance, efficiency, and playfulness, so you can ride longer and faster without compromise. Plus, features the innovative iDF system for effortless debris-free riding.

BRP Audio - Portable System

The BRP audio-portable system provides two 25-watt speakers for higher quality sound on and off the water featuring Concert, Ride and Home mode. Equiped with a heavy duty mounting bracket.

Front Storage and Watertight Phone Compartment

A front storage for easier access to bring more gear on board. Easily secure cell phone and valuable items with the watertight phone compartment.

Recreation

Sea-Doo personal watercraft are made with the rider in mind: with extra storage for all your needs, the Recreation lineup puts convenience front and center. We believe long days of family fun should be accessible to all water enthusiasts.

The Fun Revolution Under the Sun

Ready to swim in happiness and extra comfort? The Sea-Doo Recreation lineup is here to help you and your entire family pack more into every ride this summer: more fun, more gear, more memories!

Sport Fishing

Eyes on the prize! The Sports Fishing Sea-Doo models take high-performance sport fishing to new heights. Join the exclusive club of anglers who love fishing as much as the ride to get to their destination.

Never Lose at Go Fish

Sea-Doo gives anglers of all kinds a new way to fish. With versatile fishing-specific features worthy of a fishing boat like fishing coolers for your catch or rod holders, and a Garmin† GPS and fish finder, these stable personal watercraft keep your bait close and the fish closer.

FISHPRO™ Trophy 170

Stability, power and music to tow like a pro.

KEY FEATURES

- Rotax® 1630 ACE™ - 170
- ST3™ Hull

- Advanced battery system
- Quick-connect livewell
- LinQ® fishing cooler (51 L)
- Anchoring system
- Rear Deck Extension with LinQ
- BRP Audio - Premium System
- Handlebar with adjustable riser
- Garmin† 9" touchscreen GPS & Fish Finder
- Ergolock™ two-piece Explorer Touring seat with modular swivel seat

Shark Grey and Orange Crush

Modular Swivel Seat

Installs in seconds for a game-changing experience. Both the pedestal and backrest stow cleverly away when not in use.

Garmin 9'' Touchscreen GPS & Fish Finder

A top-of-the-line navigation, charting and fish-finding system using an in-hull transducer and mid-CHIRP sonar.

Quick-Connect Livewell

Turn the LinQ Fishing Cooler into a livewell in seconds. An integrated pump constantly feeds fresh water into the reservoir keeping your catch or your bait alive all day.

Responsible Fishing

Be respectful

As a member of the Sea-Doo fishing community, it is your responsibility to respect other fishers and boaters so waterways remain open for fishing. Join us in being a great ambassador for the sport!

Follow fishing and boating regulations

This is one of the most important things we can do as fishers. Every region has its own regulations; it is your responsibility to read, understand, and follow them.

Don't fish near swimming and beach areas

Avoid fishing near public and private swimming and beach areas so you don't leave sharp lures where people play.

Handle fish with care and release quickly

If you're catching and releasing, handle the fish delicately and release it as soon as possible. Don't keep them out of the water for too long, and make sure to hold them horizontally when taking a picture.

Drain and clean your watercraft after every trip

Traveling to different waterways is a great way to enjoy fishing, but it can lead to unintended consequences, most notably the introduction of invasive species. Remove any vegetation from your Sea-Doo, get rid of mud, and drain your bilge, cooler, and any other area that may be holding water. You should also consider drying and disinfecting your watercraft to make sure it is ready for the next launch.

Pick up your trash

Do your part in keeping the waters clean for all.

Practice carbon-conscious fishing

Your Sea-Doo is equipped with ECO® Mode, which automatically limits engine power so the engine runs at the most efficient level. This saves fuel and reduces emissions.

Discover packages built for more fun, more comfort and more time together.
Whatever the day brings, get on the water, feel alive, and make every ride count.

Essentials

	Snap-in Fenders
	Registration kit - Black (INTL)
	Safety Equipment Kit
	Dock-Tie
	10.25" Color Touch Screen Protector
	Cover *
	Sea-Doo D.E.S.S. Key - 2nd key (Yellow)
	Bilge Pump
	Salt-Away Cleaning Set
	All-Climate Storage Cover
	C-TEK Battery Charger kit

* May already be included on certain vehicle models
Note: Some accessories require additional installation hardware

Adventure

	Touring Windshield *
	Heated Grips
	Cup Holder *
	Storage Bin Oragnizer *
	LinQ Multi-Cargo Rack *
	Rear Deck Extension with LinQ *
	LinQ Explorer Bag *
	LinQ cooler 20L (Grey / Orange)
	Ice Pack for LinQ cooler
	LinQ Fuel Caddy 20L
	Garmin ECHOMAP GPS
	Speed Tie

* May already be included on certain vehicle models
Note: Some accessories require additional installation hardware
** On the GTI Hull, LinQ Explorer Bag, LinQ cooler 20L and LinQ Fuel Caddy can not be installed together. Ask your local dealer for possible options.

Play - Spark

	Spark Front Storage Bin *
	BRP Audio - Portable System *
	Handlebar with Adjustable Riser *
	Step Wedges *
	Extended Range VTS *
	Footwell Grip Mats
	Spike Anchor

* May already be included on certain vehicle models
Note: Some accessories require additional installation hardware

Water Sports - Spark

	BRP Audio - Portable System *
	Spark Spotter Handle & Camera mount
	Tow Point Cleat Adaptor
	LinQ Lite Action Camera holder
	Boarding Step *
	LinQ Semi-Rigid Cooler 20L
	Sea-Doo Kneeboard
	Tow Cord
	Shock Tube

* May already be included on certain vehicle models

XPS OILS

Developed as an integral part of the engine and vehicle, XPS lubricants don't stop at meeting certification requirements. The pursuit of more power and torque is in our DNA. This drive for performance has led us to create specifically engineered lubricants to help keep your vehicle performing the way it was designed to.

Water Sports

	LinQ Retractable Ski Pylon *
	Wakeboard Rack *
	Ski and X Package Module *
	Boarding Ladder *
	LinQ Seat Bag 5L
	LinQ Semi-Rigid Cooler 20L
	Sea-Doo Wakeboard
	Tow Cord
	Shock Tube

* May already be included on certain vehicle models

Play

	Audio system 80W * (or upgrade 80W)
	Boarding Ladder *
	Removable Storage Bin Organizer
	Storage Bin Organizer * (on ST3 hull)
	Lid Organizer (on GTI hull)
	LinQ Semi-Rigid Cooler 20L
	LinQ Seat Bag 5L
	Spike Anchor
	Tow Cord
	Sea-Doo 1 person Tube

* May already be included on certain vehicle models

Fishing

	LinQ cooler 51L *
	LinQ Rod Holders *
	Cup Holder *
	Storage Bin Oragnizer *
	Garmin ECHOMAP GPS *
	Garmin Fish Finder *
	Folding Anchor

* May already be included on certain vehicle models
Note: Some accessories require additional installation hardware

Performance

	Audio system 80W * (or upgrade 80W)
	Passenger Seat
	Boarding Ladder *
	Lid Organizer
	LinQ Seat Bag 5L
	LinQ Stackable Fuel Caddy 14.5L
	High Performance Impeller

* May already be included on certain vehicle models

For details on the exact equipment required for installation, please contact your authorized dealer, as additional components such as wiring harnesses, mounting brackets, or vehicle specific hardware may be required.

The next generation of powersports protection

XPS Synthetic Oils & Lubricants

Every XPS fluid is developed with BRP powertrain engineers and proven through thousands of hours of rigorous dyno and field testing. Built to handle extreme environments, reduce friction, and minimise engine wear, XPS is the ultimate performance insurance for your Sea-Doo.

Full Synthetic

SAE 5W-40

The New Standard for All-Weather 4-Stroke Performance Developed over 5 years, the next-generation XPS 5W-40 replaces the previous synthetic blend to deliver a giant leap forward in powersports protection. Compatible with all superchargers and turbochargers, it is engineered to fight deposits and minimise friction.

Key Benefits

- **Proven Cleanliness:** 37% improvement in piston cleanliness over standard powersport engine oil.
- **Versatile & Safe:** 100% backwards compatible—won't cause damage if mixed with semi-synthetics during oil changes. Approved for Sea-Doo superchargers.
- **Specs:** Meets API SN and JASO MA2 specifications while exceeding industry standards for wear and corrosion protection.
- **Operating Range:** -35°C to 40°C (-31°F to 104°F).

COOL-X LT

The Ultimate Powersports Performance Coolant/Antifreeze

Engineered to Protect Your Engine and Maximise Every Ride.

COOL-X LT keeps your machine running at peak performance. Designed specifically for the extreme thermal demands of high-performance powersports engines, this ready-to-use 50/50 premix delivers maximum heat transfer, zero-fail freeze protection, and lifetime durability.

The COOL-X LT Advantage:

Ride Harder Without Overheating

- Advanced formula increases thermal conductivity by 4.34% at 100°C (ASTM D7896).
- **The Benefit:** Pulls intense heat away from critical cylinder heads fast—preventing performance loss, power drops, and engine warping.

Shield Your Engine Against Severe Corrosion

- Delivers 95.6% less aluminium corrosion than standard aftermarket coolants (in ASTM D1384 test by dropping metal loss from 23 mg down to just 1 mg).
- **The Benefit:** Completely safe for aluminium, steel, copper, and iron. It locks out corrosion, rust and pitting.

Fill It and Forget It (Lifetime Protection)

- Engineered to last the life of your engine under normal operating conditions.
- **The Benefit:** Less time in the garage. More time on the water.
- Maintenance Pro-Tip: Top up only with COOL-X LT to maintain lifetime efficiency.

If mixed with alternative brands, the coolant must be replaced every 5 years.

RESPONSIBLE RIDER

The Responsible Rider programme is about being present when you ride and always considering safety, riding etiquette and the environment, whether you're out in the ocean, a lake or a river.

Together, we can keep the thrill alive!

Scan me to join our community of Responsible Riders!

- Comply with laws & regulations
- Life vest, neoprene shorts & tether cord at all times
- Stay out of prohibited zones
- Avoid riding recklessly
- Follow speed limits
- Keep a safe distance from boats & people
- Respect the environment
- Be considerate of noise
