Parts

Batteries

2024 and up, Yuasa 30 amps (YIX30L)
515176151

2025 and up, 100 amps (Group 27 AGM battery)
296000465

- Dual purpose battery to powers both the boat engine and onboard equipment, suitable for partially charged/discharged use.
- Nano-Carbon technology: Increases cold cranking amps (CCA) and reduces recharge time by 25%.
- Premium AGM & VRLA design: Maintenance-free, sealed, and spill-proof for safer installation and transport.
- Enhanced durability: Offers 10 times more vibration resistance than flooded batteries for better performance in rough waters.

Sacrificial Anodes

271001942

- Sacrificial anodes are specifically designed to protect parts of your personal watercraft that are underwater from galvanic corrosion.
- Like the name implies, they essentially "sacrifice" themselves by absorbing the electrochemical process of corrosion to prevent metal components like the impeller, jet pump nozzle or engine from being "eaten away" instead.
- Galvanic corrosion can cause major damage if not controlled.

Impeller

130 or 170 HP - vehicle 13' length
267001083

130 or 170 HP - vehicle 16' or 19' length
267001081

230 HP
267001085

300 HP
267001138

- High performance impellers designed specifically to enhance engine performance and calibration.
- Offer perfect fit with wear ring and driveshaft components.

Oil Filter

420956744 Rotax 1500 cc and more engines

- Premium oil filter for your BRP vehicle.
- Provides superior oil filtration.
- Ask your certified BRP dealer to match the right parts to your watercraft.

Wear Ring

100, 130 and 170 HP
267000419

230 and 300 HP
267000917

- Simple, cost-effective way to keep the pump system operating like new.
- Restore tight clearance to your impeller.
- Reduce cavitation and recover lost performance caused by a worn ring.

NGK[®] Spark Plug

DCP-R8E
715900642

- BRP dealers carry the full line of premium NGK Spark Plugs for Sea-Doo watercraft.

Engine Oils

XPS 4T 5W-40 Full Synthetic Oil Change Kit

Rotax 1500 cc and more engines
9779486

- Ultra-convenient "all-in-one" oil change kit saves time and money.
- Includes XPS Full Synthetic Oil, oil filter, O-rings and washer.

XPS 4T 5W-40 Full Synthetic Oil

9779492 1 US gal / 3.785 L

9779493 1 qt. / 0.946 L

- Designed for high performance off-road, on-road and PWC 4-stroke engines, including turbo or supercharged powersport engines.
- Off-road formula with premium anti-wear and anti-corrosion additives.
- Provides superior engine and transmission protection against rust and corrosion even in extreme conditions.

XPS Products

Extended Life Pre-mixed Coolant

9779150 1 qt. / 0.946 L

- Antifreeze/Coolant contains the correct dilution and the necessary additives to prevent corrosion and inhibit cavitation in BRP cooling systems.
- Long-life, 5-year formula specially formulated for BRP vehicles.
- Superior heat transfer.
- Ideal replacement for vehicles that normally use a 2-year antifreeze/coolant (green).
- 5 years (orange).

Synthetic Grease

9779702 14 fl. oz. / 400 g

- Recommended for marine applications. This synthetic grease provides the best wear protection and water resistance available.

Synthetic Jet Pump Oil

9779221 6 fl. oz. / 178 ml

- Synthetic Jet Pump Oil uses a unique combination of synthetic base stocks and additives that allow higher loads, superior shear stability and reduced oxidation compared to other synthetics and conventional API GL-5 oils.
- Recommended for use in Sea-Doo jet pump requiring oil.

Jet Pump Bearing Grease

9779703 3.7 fl. oz. / 110 ml

- Specially made for high performance jet propulsion systems.
- High performance grease formulated to resist and repel water.
- Prevents the spread of surface oxidation, which causes rust and corrosion.

XPS Spline Grease

9779704

- Formulated with molybdenum disulfide and synthetic graphite for maximum durability and long-lasting protection.
- High performance formula that protects against wear, seizure, rust, corrosion, and extreme temperatures.
- Ensures smooth assembly and disassembly, with consistent low-friction performance.

Anti-Corrosive Lubricant

9779701 14 fl. oz. / 400 g

- Multipurpose lubricant that can also be used to prevent rust, corrosion and moisture intrusion.
- It contains extreme pressure additives that work as an all-around lubricant for just about anywhere lubrication is needed.

Fuel Stabilizer

9779171 8 fl. oz. / 236 ml

- Ethanol-compatible and will stabilize fuel in your tank to keep it from breaking down and causing hard starting, throttle hesitation and poor run quality.
- Ethanol attracts moisture, and this product contains powerful anti-corrosion additives to protect fuel system components.
- Prevents problems associated with E10 fuels.

Notes

BRP reimagines the way you access your world

Sea-Doo is one of many success stories from BRP, the global company behind some of the most daringly innovative products and experiences that move you. Because it's not about the destination, it's about the journey – yours.
