Pontoon Spare Parts 2024

Pontoon Spare Parts 2024

- 3 Parts
- 4 Engine Oils
- 4 Functional Fluids
- 5 Lubricants

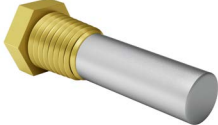

Sea-Doo limited warranty*

1-Year on BRP Parts

*Purchased at an authorised BRP dealership/distributor or on a BRP-authorised online store. Unless otherwise stipulated or required by law. Other exclusions may apply. See complete limited warranty or contact your authorised Sea-Doo dealer. This limited warranty does not apply to factory-installed accessories.

Parts

Batteries	MY24 MY23	Yuasa Haiju	30 amps (BBPM7230L) <i>(Not illustrated)</i> 21 amps (HTX24HL-FA)	515176151 219800519
	<ul style="list-style-type: none"> • Factory activated. • Permanently sealed and non-spillable. • Made from absorbent glass mat (AGM). 			
Impeller	230 HP			267001085
	<ul style="list-style-type: none"> • High performance impellers designed specifically to enhance engine performance and calibration. • Offers a perfect fit with wear ring and driveshaft components. 			
Wear Ring	170 HP 230 HP			267000419 267000917
	<ul style="list-style-type: none"> • Simple, cost effective way to keep the pump system operating like new. • Restore tight clearance to your impeller. • Reduce cavitation and recover lost performance caused by a worn ring. 			
Sacrificial Anodes				271001942
	<ul style="list-style-type: none"> • Sacrificial anodes are specifically designed to protect parts of your personal watercraft that are underwater from galvanic corrosion. • Like the name implies, they essentially "sacrifice" themselves by absorbing the electrochemical process of corrosion to prevent metal components like the impeller, jet pump nozzle or engine from being "eaten away" instead. • Galvanic corrosion can cause major damage if not controlled. • Inspect your sacrificial anode at least once a month. • Replace it when it is 50% depleted. 			
Oil Filter				420956744 Rotax 1500 cc and more engines
	<ul style="list-style-type: none"> • Ask your certified BRP dealer to match the right parts to your model. 			
NGK Spark Plug	DCP-R8E			715900637
	<ul style="list-style-type: none"> • BRP dealers carry the full line of premium NGK Spark Plugs for Sea-Doo watercraft. 			

Engine Oils

XPS 4T 5W-40 Synthetic Blend Oil Change Kit

9779251 Rotax 1500 cc and more engines

- Ultra-convenient "all-in-one" oil change kit saves time and money.
- Includes XPS Synthetic or Synthetic Blend Oil, oil filter, O-rings and washer.

XPS 4T 5W40 Synthetic Blend Oil

9779133 1 qt / 0.946 L

9779134 1 US gal / 3.785 L

- Designed for high-performance off-road, on-road, personal watercraft and jet propulsion 4-stroke engines, including turbo or supercharged powersport engines.
- Off-road formula with premium antiwear and anti-corrosion additives.
- Provides superior engine and transmission protection against rust and corrosion even in extreme conditions.

Functional Fluids

Extended Life Pre-mixed Coolant

9779150 1 qt. / 0.946 L

- Antifreeze/coolant contains the correct dilution and the necessary additives to prevent corrosion and inhibit cavitation in BRP cooling systems.
- Long-life, 5-year formula specially formulated for BRP vehicles.
- Superior heat transfer.
- Ideal replacement for vehicles that normally use a 2-year antifreeze/coolant (green).
- 5-year (orange).

Lubricants

Synthetic Grease

9779702 14 fl. oz. / 400 g

- Recommended for marine applications.
- This synthetic grease provides the best wear protection and water resistance available.

Synthetic Jet Pump Oil

9779221 6 fl. oz. / 178 ml

- Synthetic Jet Pump Oil uses a unique combination of synthetic base stocks and additives that allow higher loads, superior shear stability and reduced oxidation compared to other synthetics and conventional API GL-5 oils.
- Recommended for use in Sea-Doo jet pumps requiring oil.

Jet Pump Bearing Grease

9779703 3.7 fl. oz. / 110 ml

- Specially made for high performance jet propulsion systems.
- High-performance grease formulated to resist and repel water.
- Prevents the spread of surface oxidation which causes rust and corrosion.

XPS Spline Grease

9779704

(Not illustrated)

- XPS Spline Grease All-Weather is an enhanced formulation using a balance of molybdenum disulfide and surface modified synthetic graphite combined to provide protection for a wide variety of applications over a wide temperature range.
- XPS Spline Grease All-Weather eases assembling and dismantling, saving man hours. It assures protection against rust, oxidation, and corrosion. It will not harden, evaporate, or settle out; and it requires no thinning.

Anti-Corrosive Lubricant

9779166 14 fl. oz. / 400 g

- Multipurpose lubricant that can also be used to prevent rust, corrosion and moisture intrusion.
- It contains extreme pressure additives that work as an all-around lubricant for just about anywhere lubrication is needed.

XPS Storage Oil

9779173 12 fl. oz. / 350 g

- High-performance fogging oil designed to protect internal engine parts from rust and corrosion.
- It coats engine internals throughout the whole storage period and is burned away through combustion when engine is started.
- Protects engines during non-use or storage.
- Burns complete upon start up.

Fuel Stabilizer

9779171 8 fl. oz. / 236 ml

- Ethanol-compatible and will stabilize fuel in your tank to keep it from breaking down and causing hard starting, throttle hesitation and poor run quality.
- Ethanol attracts moisture, and this product contains powerful anti-corrosion additives to protect fuel system components.
- Prevents problems associated with E10 fuels.
