NEW Blue Mist and Coral Blast

Gulfstream Blue and Orange Crush

Feature Highlights

Spark things up - Spark X
Elevates what it means to be riding a Spark Trixx while remaining that same light and playful experience that revolutionized the industry. It features a boarding step, a speed regulator, and more power. A premium colored-in deck is also optional.

Trixx Mode
Trixx Mode unlocks new water acrobatics like reverse donuts to add even more show-stopping fun to the ride. The Trixx mode offers more thrust in reverse to perform manoeuvres more easily.

iDF - Intelligent Debris-Free System
An innovative, industry-first system that allows you to free your pump of weeds and debris with intuitive handlebar-activated controls.

Rotax 1000 ACE - 110
Unleash more fun with the all-new Rotax 1000 ACE 110 hp engine, now powering Spark X Trixx models with a perfect balance of performance, efficiency and playfulness, so you can ride longer and faster without compromise.

BRP Audio - Portable System (optional)
The BRP audio-portable system provides two 25-watt speakers for higher quality sound on and off the water featuring Concert, Ride and Home modes. Equipped with a heavy-duty mounting bracket.

Extended Range VTS - Variable Trim System
Offers double the range of the regular VTS for greater ease when executing tricks.
